Christopher Gate Construction

FINE HOME BUILDING

Driven by a passion for craftsmanship and the built environment, Christopher Gate Construction works with top architects, designers and homeowners throughout the San Francisco Bay Area to turn their design visions into reality. With over 30 years of experience in high-end residential construction, Gate brings a deep level of expertise, integrity and teamwork to every project he undertakes. “We’re a collaborative team of professionals and we love what we do,” he says. Known for their expertise in managing every aspect of complex construction, his team maintains an exceptional level of client focus from project inception through to completion. From framing complicated builds to the intricate millwork of a Victorian renovation, each project is executed with precision, proactive management and forward thinking solutions. “We understand the importance of the homeowner’s investment and we treat each project as if it were our own,” says Christopher. “We listen, we anticipate client needs and we take the time to get every detail right. Bringing their ideas to life on-time and on-budget is what it’s all about.”
